Dear Mr. Gonzalez:

As you know, as part of the Environmental Indicators documentation submitted to EPA on September 23, 2005 and approved by EPA on November 2, 2005, Commonwealth Oil Refining Company, Inc. ("CORCO") has committed to provide an annual report regarding the free-phase petroleum hydrocarbons present at the CORCO facility. CORCO has collected free-product data on a monthly basis for several years.

Attached hereto is the report for the year 2012 entitled *January 2012 through December 2012 Free Product Monitoring Report* prepared on behalf of CORCO by NewFields. CORCO continues to collect free-product data on a monthly basis and will submit the next annual report for calendar year 2013, around March 1, 2014.

Please feel free to contact the undersigned [(787) 836-1350], or Ed Hallman [(404) 588-2525] with any questions.

Sincerely,

A handwritten signature in black ink, consisting of a stylized, flowing script that appears to read "Rolando H. Méndez".
